How it works

- + We require a minimum of 48 hours notice, that helps us prepare orders of any size, but most importantly, to produce and prove our doughs. Orders need to be with us before 12pm.
- + Breakfast orders will arrive between 7:30 - 9:00 and lunch orders between 10:30 - 12:00. We may be able to arrange delivery outside of these hours - just let us know your requirements.
- + If your order is below £45 we charge a small delivery rate.
- + All our packaging is 100% recyclable, and if we ever need to use crates to deliver your order, we'll pop by to pick them up.
- + At the moment we can only deliver to Brighton, Hove, Portslade and Shoreham areas. If you are outside of these areas, [get in touch](#) and we will see how we can help.

Getting started

1. Simply browse our menu on the following pages.
2. Choose your delivery address, tell us which day you want to order for and make your selection all [online](#).
3. We'll then be in touch to discuss any questions you might have and confirm payment securely online.
